

2008 ASCE Deep South Regional Conference

January 31, 2008

Dear Potential Judge:

On behalf of the Louisiana State University ASCE Student Chapter we would like to invite you to donate your time and expertise to the 2008 ASCE Deep South ASCE Regional Student Conference by serving as a judge.

As a judge, you will be responsible for knowing and enforcing the rules. You will be sent a copy of the rules for the competition. These must be read prior to the event day. A judges' meeting will be held during the week prior to the competition. At this brief meeting, we will be able to answer any questions you may have or address any concerns. If you have any questions before the meeting, please feel free to contact me.

Specific judging needs include five concrete canoe judges with one head judge having previous concrete canoe judging experience. At least ten steel bridge judges are needed including four judges per erection lane, one judge per loading bay with two to three assistants, one judge in weighing area, and three aesthetics judges. We also need at least three concrete Frisbee judges, as well as two paper competition judges.

If you do choose to become a judge, as a token of our appreciation for all your time and hard work, we would like to extend you an invitation to the awards banquet on Saturday April 5th, 2008 from 7:30 to 10:00 P.M. The banquet will include dinner, a presentation by a soon to be determined speaker, and the awards presentation. Additional tickets for this event may be purchased at a later date.

We hope you will consider taking part in the ASCE Deep South Regional Conference from April 3rd -5th, 2008.

Please fill out the attached form to indicate your availability as a judge for this competition.

Thank you,
The ASCE at LSU 2008 ASCE Deep South Regional Conference Committee
